

MCFELDER'S TRANSLATION INTERNSHIP

WHAT IT INVOLVES.. AND WHAT'S IN IT FOR YOU.

STAND OUT FROM THE REST

If you're a driven rising star with a keen interest in how the translation industry works, we have a choice of two equally unique placement opportunities for you to apply for. Here's what's involved.

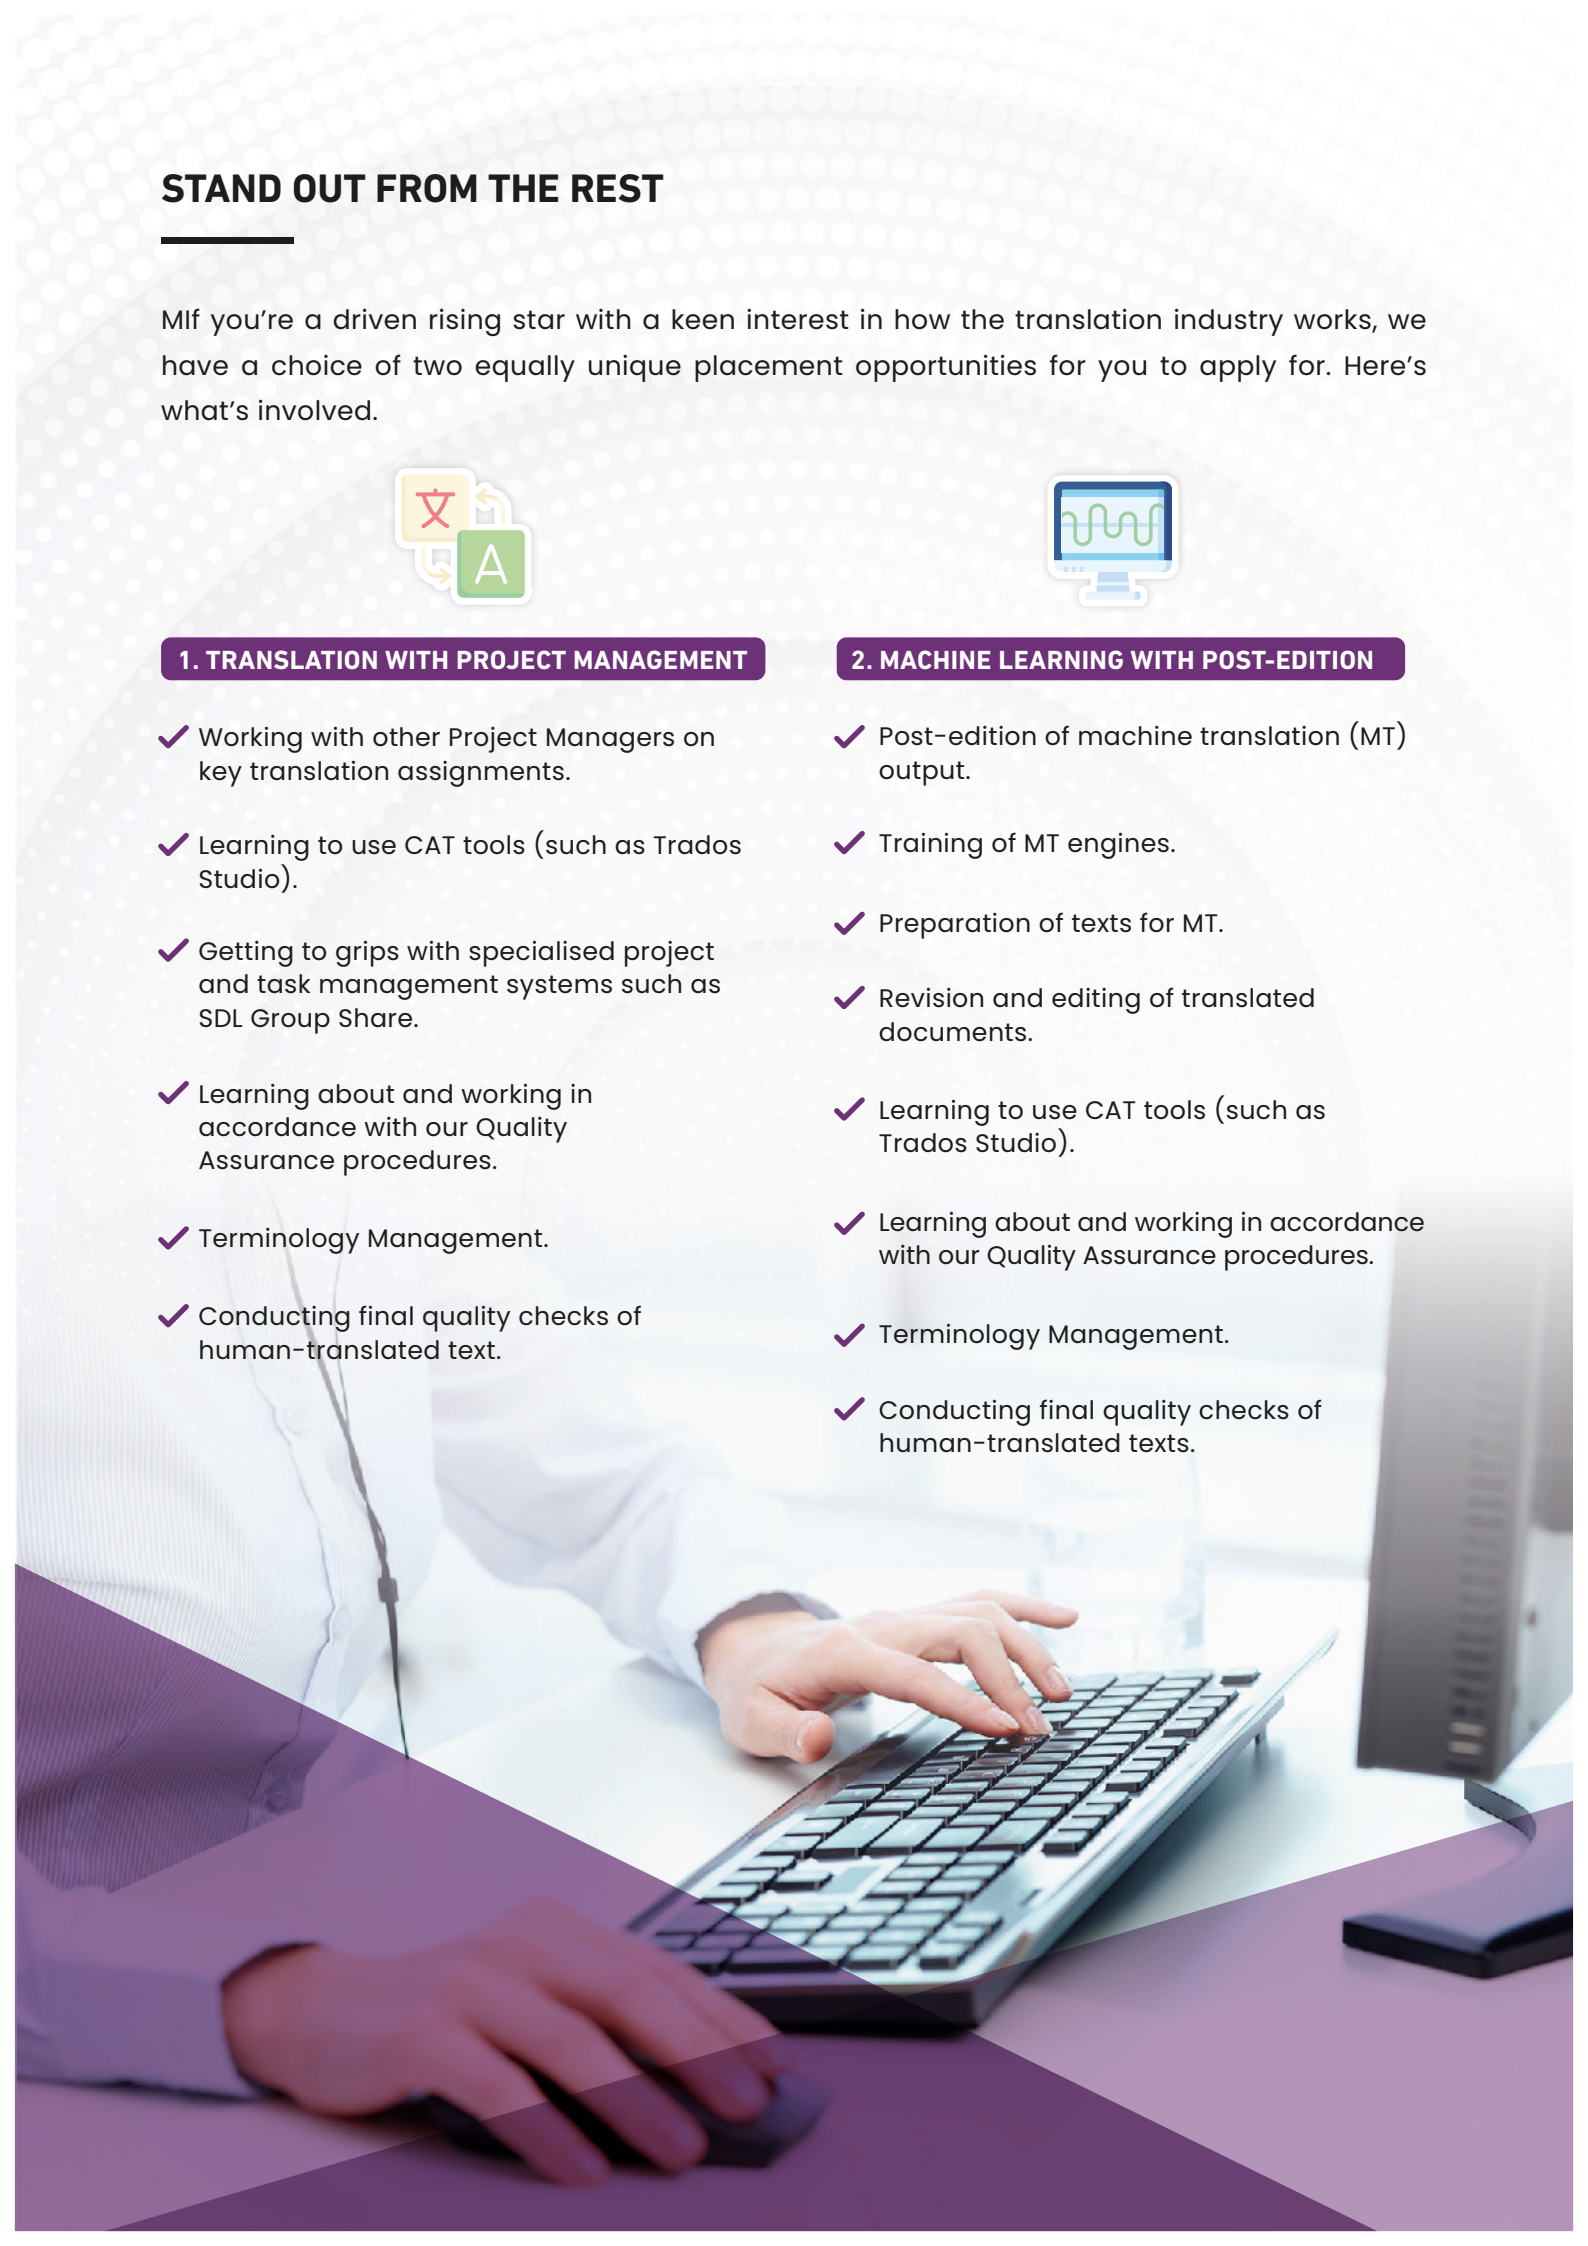

1. TRANSLATION WITH PROJECT MANAGEMENT

- ✓ Working with other Project Managers on key translation assignments.
- ✓ Learning to use CAT tools (such as Trados Studio).
- ✓ Getting to grips with specialised project and task management systems such as SDL Group Share.
- ✓ Learning about and working in accordance with our Quality Assurance procedures.
- ✓ Terminology Management.
- ✓ Conducting final quality checks of human-translated text.

2. MACHINE LEARNING WITH POST-EDITION

- ✓ Post-editing of machine translation (MT) output.
- ✓ Training of MT engines.
- ✓ Preparation of texts for MT.
- ✓ Revision and editing of translated documents.
- ✓ Learning to use CAT tools (such as Trados Studio).
- ✓ Learning about and working in accordance with our Quality Assurance procedures.
- ✓ Terminology Management.
- ✓ Conducting final quality checks of human-translated texts.

WHAT WILL YOU NEED?

**UNDERGRADUATE STUDYING
TRANSLATION OR LINGUISTICS**

**NATIVE LEVEL
ENGLISH**

**IT
PROFICIENCY**

**ATTENTION
TO DETAIL**

**THE ABILITY TO
WORK INDEPENDENTLY**

The minimum placement period for this internship is 6 months but ideally candidates will be suited for a 12-month placement. Full training will be included in our onboarding process.

WHAT WILL YOU GAIN FROM THE EXPERIENCE?

An invaluable insight into the world of translation services.

First-hand experience in an international and pioneering B2B organisation.

A freshly-honed set of transferable skills.

IS THIS THE OPPORTUNITY YOU'VE BEEN WAITING FOR?
